

## CREW INFORMATION FORM

VIVID Lighting Solutions is an innovative lighting design and rental company which supplies crews of on-call skilled technicians to work with a wide variety of equipment for live entertainment events. If you are interested in joining our team please fill out and return the form below. The information gathered from this form gives VLS a clear understanding of each of our employees credentials, skills and preferences, helping us to place crew in appropriate positions.

The information on this form is confidential and will only be used for crew placement, training interests, and safety in the case of an emergency.

\* If you have a current copy of your resume, please include it with this form \*
